FISCAL IMPACT - Small Business

Small businesses which employ a notary public could see a positive fiscal impact as a result of fees collected as a result of this proposal.

DESCRIPTION

This proposal revises various provisions regarding notaries public. In its main provisions, the proposal: (1) Removes the requirement that applicants provide their Social Security number on the application; (2) Requires applicants to list misdemeanor violations on the application; (3) Requires applicants to complete a computer-based or other notary training prior to submitting an application; (4) Details the information that notaries must record in their required journals; (5) Provides that effective August 28, 2004, the Secretary of State will issue a commission number for all new and renewal notary appointments. The commission number must be included on every notary certificate; (6) Requires that a request for an amended commission must be made within 30 days of the change necessitating the amendment; (7) Allows notaries to charge a travel fee separate from the notarial fee; (8) Requires notaries to notify the Secretary of State immediately if their notary seal is stolen; and (9) Clarifies the powers of the Secretary of State to administer the notary public laws; and (10) provides that checks for the commission fee be payable to the Secretary of State.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
